

ZELOVA TECHNOLOGIES

Company Profile

Software Development | Web Design | Hosting Solutions

About Us

Zelova Technologies is a software company based in Koratty, Chalakudy, established in 2022. Since our founding, we have been committed to delivering high-quality, reliable, and innovative technology solutions to clients across various industries. Our team combines technical expertise with a client-focused approach to design and build software that helps businesses grow and operate efficiently.

Mission & Vision

Our Mission

To empower businesses with reliable, scalable, and user-friendly technology solutions that simplify operations and drive sustainable growth.

Our Vision

To be a trusted technology partner recognized for quality, innovation, and customer satisfaction, both locally and globally.

Our Services

Software Development

We design and develop custom desktop and web applications tailored to our clients' business requirements, focusing on performance, usability, and long-term maintainability.

- Desktop application development
- Web application development
- ERP and business management software
- Custom business software and automation solutions

Website Designing

We create modern, responsive, and visually appealing websites that represent our clients' brand and deliver a smooth experience across devices.

- Responsive website design and development
- Business and e-commerce websites
- Website maintenance and support

Mobile App Development

We develop native and cross-platform mobile applications for iOS and Android that are intuitive, reliable, and built to help businesses reach customers on the go.

- Native iOS and Android app development
- Cross-platform mobile applications

Website Hosting & Domain Management

We provide dependable hosting and domain management services to keep our clients' websites and applications running securely and smoothly.

- Domain registration and hosting setup
- Server management and support
- Ongoing technical support and maintenance

IT Project Consultancy & ZATCA e-Invoice Integration

We offer IT project consultancy along with a ZATCA-compliant e-Invoice Integration Middleware (Fatoora) that ensures seamless, secure integration between billing systems and the ZATCA platform for businesses in Saudi Arabia.

- IT project planning and consultancy
- ZATCA / Fatoora e-Invoice integration middleware

Our Products

Alongside custom development services, we have built a suite of ready-to-use software products covering healthcare, business management, and integration needs.

- **Zelova Medrix:** Clinic management software for allopathy, homeopathy, ayurveda, and dental practices, covering appointments, billing, EMR, and reporting.
- **Zelova ERP:** An integrated enterprise resource planning system to manage core business operations.
- **Zelova POS:** A point-of-sale solution for retail and wholesale businesses.
- **Zelova HRMS:** A human resource management system for employee, payroll, and attendance management.
- **Zelova Campus:** A campus and education management system for institutions.
- **Zelova e-Invoice:** ZATCA-compliant e-Invoice Integration Middleware (Fatoora) for businesses in Saudi Arabia.
- **Zelova LIS:** A Laboratory Information System with lab analyser interfacing for diagnostic labs.

Industries We Serve

Our solutions are designed to meet the needs of businesses across a wide range of industries, including:

- Wholesale & Distribution
- Retail & Point of Sale (POS)
- Hospitals & Healthcare
- Travel & Tourism
- Manufacturing

Our Clients

We are proud to serve a growing base of clients across multiple industries and regions, with a presence spanning India, the Kingdom of Saudi Arabia (KSA), Kuwait, and the USA.

Why Choose Us

- **Experienced Team:** Skilled professionals dedicated to quality and innovation.
- **Client-Centric Approach:** Solutions tailored to each client's unique needs.
- **End-to-End Solutions:** From development to hosting, we cover the full technology lifecycle.
- **Timely Delivery:** Committed to meeting deadlines without compromising quality.
- **Ongoing Support:** Reliable post-deployment support and maintenance.
